

## Advent at a glance: Building the Future of Clean Energy

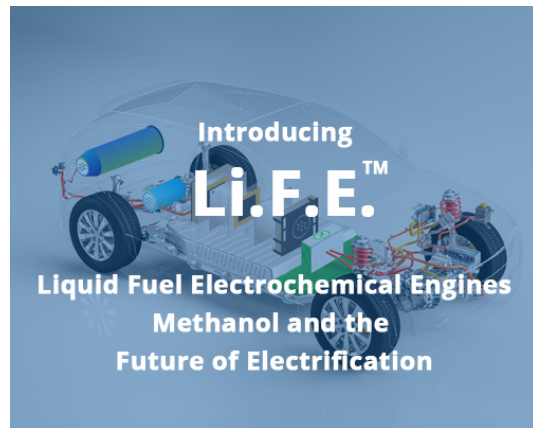

---

### A letter from Advent Technologies about Covid-19

*"Today, given the Covid-19 pandemic, the world faces an unprecedented situation. We all had to change our plans and prioritize the safety of our employees, the uninterrupted operation of our supply chain and the continuity of our business. In this light, I would like to inform you about the measures we have taken and what you can expect from us forward.",* **Vasilis Gregoriou, Advent Technologies CEO**
